

Christian Family Learning Center of Angels Camp, CA Kindness Week 2010 Activities

Christian Family Learning Center (CFLC) is thrilled to participate in Random Acts of Kindness Week in February. During kindness week, the junior high students will be reading to the local preschoolers. In addition, the 5th and 6th graders will be sorting the recycling at our school site and the 3rd and 4th grade students will be passing out ribbons with friendly smiles to the local businesses. Our kindergarten, 1st and 2nd graders will participate by singing songs and poems to Foothill Village and Senior Centers.

As a school, CFLC will be bringing kindness to the community of Angels Camp by donating to the Calaveras County Food Bank, and making cash donations from the Student Council recycling funds. Considering the diversity of counties that CFLC bring together, students will also be bridging the gap and educating people in their home churches about the purpose and the domino effect that random acts of kindness can bring to their communities. Ribbons will be handed out by CFLC students to over 22 churches across counties.

Churches include:
